TERMS:

High Card:

A King or an Ace. A pair of Kings or Aces is the lowest winning hand you can have in Joker Poker. Having one of these pairs will win your bet back.

Outside straight:

An open ended straight that can be completed at either end, such as the cards 7,8,9,10.

Inside straight:

A straight with a missing inside card, such as the cards 6, 7, 9, 10. In addition A,2,3,4 and J,Q,K,A also count as inside straights because they are at an extreme end.
